

We denounce the black and crude  
counterrevolutionary campaign of the media  
against our beloved and respected leader,  
Chairman Gonzalo

Communist Party of Peru

September 2017

We denounce, condemn and brand with fire the black and crude counter-revolutionary campaign of the media on television, radio, newspapers such as El Comercio and weeklies such as Sucesos, etc. against our beloved and respected Chairman Gonzalo, head of the Party and the revolution, the greatest living Marxist-Leninist-Maoist on Earth, center of Party unification and guarantee of triumph that leads us to communism. Chairman Gonzalo's leadership based on his almighty thought. We tell them that no matter how much they throw all the mud and all their reactionary power they will not be able to dent his image of great Communist Leader and his all-powerful Gonzalo thought, all-powerful because it is true.

Constantly, the Peruvian reaction through its Low Intensity Warfare, carries out these counterrevolutionary campaigns, within the Yankee plans to defame, discredit and the foul plan to annihilate our Leadership and disappear the PCP and the People's War, which it leads for its General Reorganization and to get out of the difficult and complex Bend.

We denounce, condemn and will crush their black plans and infamies against our Leader, Chairman Gonzalo, the eagle of our party, developing the People's War and serving the World Proletarian Revolution.

Fighting side by side with our people, the PLA is destroying the living forces of the enemy, fulfilling its role and the three revolutionary tasks of Combat, Mobilize and Produce, demonstrating to the world that we are not afraid of the dangers and that we face the difficulties collectively, em-

bodying and applying the ideology of the proletariat, the unfading Marxism-Leninism-Maoism, Gonzalo Thought, led by the new leadership of the PCP, demonstrating in the facts that it is forged and made by Chairman Gonzalo. Gonzalo, shrewdly applying the five necessities and the thousand eyes and thousand ears of the Party, today near the XXV Anniversary of the current and masterful Speech of Chairman Gonzalo, we reaffirm ourselves in this one, which constitutes the synthesis of the III Plenum, a historical and transcendental Plenum and in: Defend the Health and Life of the PCP and the PCP:

Defend the Health and Life of Chairman Gonzalo by developing the People's War!
